## Welcome to the Annual Dover Film

It's a privilege to have recorded the events of our local community for more than 19 years. Dover has a rich culture and character that shines across the community events and wonderful backdrop of this great town.

Despite the fact that Covid-19 has decimated the events in the town 2020 Annual Dover Film records the story and impact of the pandemic.

We are grateful to Dover Rotary Club for their amazing support in our hour of need.

### Your help and support is needed

The Annual Dover Films are available to download from Vimeo.

It is new territory for us.

We have set up membership.

We ask members to make a one-off donation of £10.00.

### We plan to be back at the Silver Screen Cinema in March 2022

This year, members of the Rotary Club of Dover are supporting the Outreach Centre in Dover and a project to benefit schoolgirls in Nepal.
